

## A Brief Synopsis of Building Permit Activity for March 2013

There were a total of 41 single-family building permits issued in the month of March. The majority of permits issued this month were in unincorporated Tippecanoe County (35 permits) while West Lafayette had 2 and Lafayette issued 4 single-family permits in addition to residential permits issued for repairs, additions and electrical work.

All of these building permits were for traditional detached single-family housing. The five-year average for single-family March permits (2008 to 2012) is 42 permits issued with a mean of 37.5 (the number half way between the high of 56 permits [March 2010] and the low of 19 permits from March 2011).

No permits were issued for multi-family construction this month. All single-family residential subdivisions which had activity are shown below as well as the location by civil township of the 41 single-family permits.
